REQUEST FOR CERTIFICATE OF CORRECTION

The Assignee of record, DENTSPLY International Inc., of US 6,206,695 herewith requests that a CERTIFICATE OF CORRECTION of the drawings, Sheet 12 showing Fig. 20 and Fig. 21 thereon be issued in accord with the enclosed Form PTO/SB/44. The error to be corrected is clerical or minor in character in that the formal drawing of Sheet 12, Figs. 20, 21, as published, do not conform with the original informal drawings filed with the application. As noted on PTO/SB/44, the line between reference numerals 250 and 260 was incorrectly drafted from the originally filed informal drawing. In Fig. 21, the tip forward of element 258 and the dimensional line 254 were incorrectly drafted from the originally filed informal drawing. Page 2 of PTO/SB/44 is a replacement Sheet 12 conformed to the informal originally filed drawing.

Enclosed with this request is a copy of the informal drawing, Sheet 12, Figs. 20, 21 as originally filed, copied from the U.S. prosecution history. Both inventors agree that the corrected Sheet 12 conforms to the informal drawings as originally filed. Thus, the proposed correction does not constitute new matter or require re-examination.

We authorize payment of the Certificate of Correction fee of \$100 as required in the 37 CFR 120(a) to be charged to our deposit account number 04-0780.

Respectfully submitted,

James B. Bieper
